**Kevin Mitchell**Director
Grapevine Parks and Recreation kmitchell@grapevinetexas.gov

s we enter into our second summer at The REC, I hope you take advantage of all the opportunities the Parks and Recreation Department has to offer. With The REC of Grapevine 1 year anniversary approaching on April 25, it is hard to comprehend that the facility has been operating a full year. We could not have gotten this far without the help

and participation of Grapevine residents. On behalf of Parks and Recreation, I would like to thank all of you. It has been a great first year and we hope you have enjoyed everything the facility has to offer. After reopening The Vineyards Campground & Cabins for four days during the Thanksgiving holiday, we unfortunately suffered another flood thus closing the Campground, all lake parks and boat ramps. With the determination of our staff and wonderful volunteers, some headway and progress has been made in the flood restoration efforts. The summer is looking bright for lake parks and the Campground to reopen soon for all to enjoy.

In the past few months, we have added two different trail systems to the City. The first is the Municipal Trail that wraps around The REC, Library and Convention Center and the second is the Links Trail that parallels Highway 26 from Ruth Wall to the west side of Grapevine Mills Mall. We hope you enjoy all the benefits that Grapevine's beautiful trails have to offer whether you are out for a relaxing stroll or training for a race.

I encourage you to browse through the summer issue of Play Grapevine to find something that excites you and your family. One of our main goals is to target the interests of all ages. We have a lot of thrilling and creative camps this summer as well as many community events that include Mom & Me Tea, The Amazing Race: Father/Son Event, and the start of the Fourth Friday Film series beginning at Parr Park. Please also check out the NEW outdoor programs such as Camp Survival Games, RISE Adaptive Sports, Fly Fishing Expo and Surf Camp. Whether your summer plans keep you in Grapevine or take you across the world, I hope you have a safe and happy summer.

As always, please consider keeping up with Parks & Recreation news, special events and opportunities to enter our social media contests throughout the year. Be sure to LIKE us on Facebook and FOLLOW us on Twitter and Instagram @PlayGrapevine.

**PLAY OFTEN - PLAY GRAPEVINE!** 

Warm Regards,

### STAFF **SPOTLIGHT**:

Casey Walker • The REC Insanity Instructor 2015 Beachbody Grand Prize Winner

Casey Walker weighed 275 pounds in September of 2013. He was in and out of the hospital due to an undiagnosed autoimmune condition. Casey was taking multiple medications which made him feel sick and tired all of the time, yet he just couldn't sleep. He recalls one morning, while sitting in his chair watching a Beachbody infomercial, that he'd reached the end of his rope. He wanted to play with his 3 young kids again. He wanted to support his wife and family in the way he knew he could. At that point he realized it was time to get up and get moving.

He started by simply moving in his living room (first in his chair and then progressing to his feet) and within the first 3 months, he'd lost 70 pounds! He says it was mainly his kids that pushed him to get up and get moving.

Casey then realized the importance of putting the right kind of fuel into his body. He went from eating Oreos, pizza and hamburgers to a diet of Shakeology, lean proteins, vegetables and fruit. At that point he said 'the weight just felt like it was falling off'. He lost 118 pounds in all from September 2013 to May 2015.

Throughout the process, Casey would submit pictures of his transformation to Beachbody's website for the chance to win prizes like money and t-shirts. Next thing he knew, he received a call inviting him to attend the company's conference in Tennessee as one of four male finalists chosen from thousands of entries.

Casey Walker went on to become the 2015 grand prize winner. He says his new lifestyle has led him to a "beautiful" place in his life where it's "all kind of coming together" between his spiritual background and physical transformation.

"As I've gone through this journey, I've been able to inspire other people that there's **hope.**"

"You can get off the couch," Walker added. "This doesn't have to be your existence. It's so much more than muscles."

Casey is now the Insanity Instructor at The REC of Grapevine, as well as a Beachbody coach. He currently teaches Insanity classes on Tuesday/Thursday mornings from 9:45-10:45 AM. See pg. 25 for more info.

# AFTER A FLOO

# The Bright Future of Grapevine's Lake Parks

It's not uncommon for me to meet people around town who have never heard of The Vineyards Campground & Cabins. However, as often as it happens I'm nevertheless surprised that there are Grapevine residents who are unaware that one of the country's most award winning RV and leisure destinations sits on our shores.

The Vineyards brings in people from across the US and beyond to experience a peaceful family filled getaway, seemingly unimaginable in our bustling metroplex. It's here that I've met retired Canadians with a wealth of corporate experience enjoying Grapevine's sunsets during their post-work years, parents teaching their children to fish while traveling the country on vacation, families who have spent every Labor Day weekend in the same site for ten years and Grapevine residents who can trace their lineage to the founding of our city. This place has made me believe that a quiet night under the stars, surrounded by whispering trees and the subtle murmurs of the lake is truly a universal experience everyone can enjoy with the same serene smile.

This is just one of our parks that I've had the pleasure of supervising over the last few years in Grapevine's Lake Park system, and is a place I'm ready to have reopened so that those lasting memories can continue to be created by all the people who look to the shores of Grapevine Lake for family, recreation and peace of mind. Sometimes it takes losing something to truly reflect on how meaningful it is to our daily lives.

While many may not know all the intricate ins-andouts and opportunities of our 10 miles of shoreline in Grapevine, you would be hard pressed to find a household in Grapevine that was unaware of the flooding that occurred at Grapevine Lake following the record breaking rains of 2015. Over the last year I've had the opportunity to teach many GCISD students about Grapevine Lake, how it was created and what our dam does to prevent flooding downstream in the Trinity River Basin. Most kids thought that the lake was dug by enormous excavating machines and all the dirt taken far away, then water was piped in to fill the huge hole all the people dug (admittedly, I thought this myself as

a kid when I heard about "manmade" lakes). The flood was an event that reached everyone in Grapevine, indiscriminate of the age of the ear.

What we witnessed in Texas last spring and the fall and winter storms that followed was an unprecedented natural phenomenon that put Grapevine in the headlines and, yes, put a stop to many of your recreation plans that we work to provide. As unfortunate as it has been, the flood did much more than spoil summer fun at the lake—it galvanized relationships in the community that resulted in one of the largest community cleanup projects Grapevine has ever had, it offered occasion for adults and children alike to learn more about the natural environment, engineering and how they interconnect with daily life and it has provided your Parks Department with an opportunity to reimagine park amenities to create a better recreation experience for you.

Every public servant that supports Grapevine's Lake Parks takes immense pride in our City and the work we do daily, knowing that your enjoyment of Grapevine Lake is our benchmark for success. You will see changes to some facilities and amenities that were damaged or destroyed as a result of the disaster, updates to outdated remnants of when the parks were managed by the Army Corp of Engineers and new features for your family to experience. Over the coming months we will be updating playgrounds and restrooms, repaving roads, adding a new paddle sport dock and rental facility at Meadowmere Park and upgrading facilities to storm rated buildings for the safety of our park goers.

The lake will recede and all the parks you enjoyed will reopen. They will once again be your place to sit in solitude and cast a line, meet friends for raucous volleyball game, bike through the woods, walk your best four-legged friend, eat PB&J's on a blanket with the kids or spend the night under the stars. However you do freetime best, there will be a Lake Park opening for you soon.

Peter Doyle Lake Parks Supervisor
